

SMR Business Meeting, October 17, 2022

Meeting was called to order by Wendy C. at 8:45

In the absence of an elected group conscience chair and in light of the complexity of some issues facing the group, Wendy requested we only hear trusted servant reports. The floor was opened for volunteers who wanted to lead a more substantial meeting but as no one stepped forward, the following reports were read and accepted unanimously.

Treasurer's Report
Communications Report
WSO Report

All other reports and business (including acceptance of the minutes from the September Business Meeting) will be held over and handled at the November meeting.

Respectfully submitted,
Wendy C
