

# SMR Website Report

November 17, 2024 GC Business Meeting

Total number of 1,941 views with 606 visitors for the month of October. Website traffic insight shows the top number of views similar as in the previous months.

Posts added to the website this reporting period include Graffiti Wall, ACA WSO Seeking Applications, ACA Thanksgiving Marathon, and two motions; Motions 24-13: A New Set of Meditation Slides, and Motion 24-14: A Revised Feelings Slide.

Also, reorganized the website menu with regards to the Service Section tabs by adding/moving the Service Team Schedule to the top of the page on both the 'script and slides', and 'mod' pages. Added vacancy notices in the Service Position descriptions. This is prompted by the recent 11/7/24 Healthy Service Meeting, which was invaluable to me in witnessing actual users find their way on the website. Brought up some awareness of opportunities to streamline information. Thank you to those attending!

Current postings on upcoming room host trainings being offered by fellow travelers, as well as adding trusted servants to the Service Team Schedule when requested by email/chat messages until our group has a Service Secretary.

Lots of fun with the graffiti wall. Please continue to share your visions, inspirations or simply tell us about your Zoom screen saver image.

Respectfully in service,  
Staci W. (NC)
