Screen-share training: Kate will be offering Screen Share training, separate from Room Host Training, soon. This appears to be the biggest technical sticking point for people keen to serve.

Creating a Service Team. Betsy A. and I are regularly in communication concerning the service needs of SMR. We have other trusted servants expressing interest in joining the team. Macy has expressed interest in becoming a Chair and a person named Madge M. is interested in the co-secretary position, however, I have not heard back from them.

Gratitude this month: Deep gratitude goes out to CJ for taking on the Wednesday Chair for the next three months. For the next six months, until July when it will be reviewed, Room Host Trainings will be offered on the first Saturday of even months and the first Wednesday of odd months.
